Denti-Cal Updates Provider Seminar Schedule Page

To provide easier access to provider seminars and increased information, Denti-Cal has updated the Provider Seminar Schedule page on the Denti-Cal Web site. The enhancements include:

- A new on-line reservation system that allows for fast and easy seminar reservations
- All seminar locations and dates for the quarter
- The integration of Google Maps, so providers can have turn-by-turn directions to seminar locations

The new reservation system allows providers to register for a seminar on-line via e-mail. Providers can still print out the reservation for submission via regular mail or call the Denti-Cal Telephone Service Center at (800) 423-0507. Providers who submit reservations electronically, over the phone, or in hard copy and supply a valid e-mail address will receive an electronic confirmation once the reservation has been processed.

As a reminder, the seminar schedules are no longer being mailed to the provider community. Providers are encouraged to visit the Denti-Cal web site, Provider Seminar Schedule, each calendar quarter for seminar schedule updates: http://www.denti-cal.ca.gov/WSI/Prov.jsp?fname=Seminar_Schedule. Seminar schedules will continue to be printed on the provider's Explanation of Benefits (EOB) as well.
